Chalmers, made their ap pearance before our fortifications on Saturday evening, September 13, and through a Colonel Scott demanded of our commandant, Col. Wilder, an unconditional surrender of all our torces. This demand was promptly refused by our gallant Colonel. The rebel Colonel then took his leave, re marking, "To-day we part as friends; to morrow we meet as enemies; they will be prospered who are on the Lord's side " Our commanders immediately disposed of their

forces and awaited the issue. About 4 o'clock on Sunday morning the rebels commenced driving in our pickets, and at day ight the fight commenced in earnest, raging fur about five hours; at which time the rebels sent in a flag of truce, asking permission to bury their dead and remove their wounded. This occupied them the remainder of the day, when under cover of night they retreated.

to exchange shots with the enemy. Our loss was eight killed and thirty one wounded; seven have since died. The rebel loss was from 1,073 to 1.500, killed and wounded. Their loss in officers was heavy. One regiment, the "Mississippi Ti gers," lost every field officer. Our men fully sustained the fair name gained by Indianians on previous battle fields. Every officer was at his post, and fought with uncurpassed bravery, while every man, with perhaps half a dozen exceptions. fought with desperation. The first to yield up his life was Corporal George T. Ramey, of Capt. Applewhite's company.

We sustained an irreparable loss in the death of Major Abbott. A braver man never met the foe. The enemy charged our breastworks three times, and were as often repulsed. Lieutemant Mason, of the artillery, showed great skill in handling his guns. He never fired for nought. Thus ended Sunday's work.

THE SURRENDER. surrounded by the enemy, they having planted their batteries during the night. They repre sented their force as being large, and demanded of Col. Wilder the surrender of his force. Col. could see their forces and guns for himself. Hewas then permitted to go round their lines, and various quacks of doubtful character to be found in all found them in large force, with some sixty or seventy pieces of artillery bearing upon us, enbut 4,200 men, and our ammunition was almost exhausted. RETAKING OF OUR FORTIFICATIONS BY BUELL'S ADVANCE. ber 21st, General Buell's advance reached Green river, and attacked the rear guard of Bragg's army. The fight lasted about two hours and resulted in the defeat of the rebels. Our loss was one killed and three wounded. The rebel loss was nine killed, including one Colonel. The

number of their wounded I did not learn. During my stay with the rebels I was generally well treated, but on this occasion I, with several citizens, had taken refuge in the house of Dr. Gardener. This house the rebels shelled. They also threw one shell into our hospital. Before leaving the rebeis burned the railroad and pontoon bridges over Green river. with chronic disease for some time, and seeing an advertisement of one Dr. S. W. Howard & Lady, who periodical visits to Greenfield, I called upon the male Doctor, and after some conversation with him, I employed him to take my wife's case under treatment, fully believing at the time, from what was said during our conversation, that he was Dr. E. Howard & Son, o dianapolis, the celebrated Cancer Doctor, (of whom I had often heard.) who is a brother to Dr. N. P. Howard, of Greenfield, and who is now treating Jordan Lacy, of Jackson township, for a cancer with an almost certainty success, so rapid has he improved under the science and wisdom of his treatment. The bogus Dr. Howard treated my wife for a consider able length of time without giving her any rehef, or benefiting ber in any manner whatever. If there was any change she was wo se when he was discharged than when he undertook to treat her. Believing that he is no physician, but an ordinary mechanic, assuming the practice of medicine to deceive the people and make money out of their credulity, I publish this to the world, and warn all who are afflicted, that the said "Dr. S. W. Howard & Lady, Clairveyant and Cancer Physicians," are umbugs and imposters.
